

Genie Gateway is AllCom's most forward-looking integrated unified communications service to date. Combining email, voice, text messaging, video services, and document delivery, the Genie Gateway is aimed squarely at businesses and individuals who want a fully rounded presence on the internet without the cost and complexity of the build-it-yourself approach.

Genie Gateway is an interactive communications hub featuring an integrated suite of business solutions, combining the benefits of having a website, fully integrated with your computers, phones, text messaging, videos, documents, and your own Virtual Office, as one seamless service.

Genie Gateway is introduced at a disruptive price point of \$9.95 per month, with a \$1 trial period for the first month.

Genie Gateway is where your customers, business associates and friends will find you, your updates, and your goods and services.
